# DECEMBER 2017

## CZECH CENTER THANKS YOU:

There is no doubt that 2017 was a year to remember. We successfully presented over 100 events and formed new friendships both within NYC and across the Atlantic. Our work would not be worth it, however, if it were not for your support and input. Each event is created with the creed of presenting the best material to our audience.

## Czech Center Mission 2018:

As we celebrate 100 years Czech-U.S. relations and the 10th anniversary of the renovation of the Bohemian National Hall, we will be diving deeply into the cultural ties that exist between the United States and the Czech Republic.

## New Initiatives:

In 2018, CCNY will be highlighting one key theme per month, culminating with one special event.

The themes will explore many facets of Czech culture such as music, visual arts, literature, theater, sports, and fashion.

Save the date for our upcoming events: **Celebration Ball** on January 27, **Fashion Show** on February 24, and a **Film Marathon** on March 24 2018.
